Admissions Position 24/25 Dashboard
Version:

Notes / Help: For assistance, refer to the "How to Use It" section below.

How to Use It

The **Admissions Position 24/25 Dashboard** provides a detailed overview of current application data, enabling stakeholders to track the admissions pipeline from application to enrolment. It offers insights at both the **programme** and **school levels**, facilitating data-driven decision-making.

Key Features

Filters & Slicers

Users can filter data by:

- **School Name**
- **Programme Title**
- **Attendance Mode** (Full-time, Part-time)
- **Fee Status** (Home, Overseas, Other)
- **Qualification Level** (Undergraduate, Postgraduate)

Key Metrics (Displayed via Card Visuals)

- **Total Applicants**
- **Total Offers**
- **Conditional Offers**
- **Unconditional Offers**
- **Total Enrolments**
- **% Conversion Rate** (Enrolments / Applicants)

Target figures are included for each metric to compare performance against admission goals.

Graphical Insights & Trends

- **Comparison Graphs**: Displays the total number of **Applicants**, **Offers**, **Conditional Offers**, **Unconditional Offers**, and **Enrolments** by school.
- **Matrix Data Table & Breakdown**:
    - **Program-Level Table**: Displays application, offer, and enrolment data for each individual programme.
- **Conversion Funnel**:
    - Tracks the movement from application submission to enrolment.
    - Highlights drop-off points to identify areas where student interest declines.
- **Gauge Visual**: Shows three key conversions:
    - Application to Offers
    - Offers to Unconditional Offers
    - Unconditional Offers to Enrolments
- **Data Table & Donut Charts**:
    - **Data Table**: Provides an overall view of Applicants, Offers, and Enrolments by school.
    - **Donut Charts**: Visualizes **Total Enrolments by School** (percentage and numbers) and **Total Applicants by Fee Status**.

Population & Data Sources

- **Live Data from SITS** (refreshed on weekdays).
- **Headcount** categorized by **Home School** and **Programme**.

Considerations

- **December 1st Enrolment Figures**: 2023/24 enrolment data will be incorporated into the dashboard.
- **2024/25 Targets**: Will be added once finalized.
